

PREVENTT

Preoperative intravenous iron to treat
anaemia in major surgery

PREVENTT Newsletter
Number 43
November 2017

WELL DONE TO ALL FOR HELPING US REACH OUR **400TH**
PARTICIPANT THIS MONTH!

News

It has been a very exciting month for PREVENTT as we have been celebrating a very important milestone.

We are over the moon that our fantastic sites have helped to achieve the recruitment of 400 participants!

We hope that Janine and the Wye Valley team enjoyed the chocolate selection that we sent as a thank you for recruiting the all-important 400th participant.

We have also had recruits from Northern General Hospital and Southampton General Hospital this month. Well done to both teams for your contributions.
